Report of Principal and School Improvement Council

School Report Card Summary

The 2008-2009 school year at Hanahan Middle School was a very successful year. Learning remains our top priority, as reflected in our PACT scores. The HMS faculty and staff work closely with the community, parents, and businesses to provide students with every opportunity to learn and to succeed. Hanahan Middle School is a National BlueRibbon Lighthouse School, Red Carpet School and SCIRA Exemplary Reading Honor School. HMS successfully completed the second year implementation of Making Middle Grades Work (MMGW). Making Middle Grades Work is a district-wide initiative that provides a comprehensive improvement framework focusing on ten key practices. The Books Rock Café and the Big Kuhuna, an end of the year celebration, continue to be successful reading incentives for our students. As a result of these incentives, the number of students meeting their yearly Accelerated Reader goal surpassed gains experienced in previous years. As always, HMS continues to stress academic excellence as we "Soar to Success."

Our students' academic and extra-curricular achievements continue to be among the best in the state. 125 HMS students took at least one of four credit courses: English 1, Spanish 1, Algebra 1, and Keyboarding for high school credit. HMS is proud of our 19 National Junior scholars and 4 Duke Tip Scholars; 41 All County, 11 All Region, and 1 State Band winners; 100% student participation in school Service Learning projects; first place in "Group Performance" at the Junior Beta State Convention; First Place in the State Superintendents Writing Competition; 13 students in All-County Chorus and 1 National ACDA Chorus recipient. In addition the HMS band was awarded the Outstanding Performance Award State Band Directors' (OPA) for the twenty-fourth time.

STEMS, an ELA program that studies Latin roots, continues to help HMS students increase their PACT scores. HMS stresses reading and writing across the curriculum, with monthly bulletin boards, a Principal's Pick display, the Writing Stick competition among grade levels, and faculty writings. SmartBoards were installed in all classrooms, including Special Area classes. Air Liners were installed in all ELA and Math classrooms, with a class set of I-clickers for each grade level. A new computer lab called ASSIST was added, providing content recovery to over 100 students. SPAWAR continues their services through the Lunch Buddy mentoring program, which has grown to over 90 participants. The HMS Jr. Beta club offered peer tutoring. Measures of Academic Progress (MAP) test scores were used to form RIT Band classes that met for 40 minutes weekly to address specific needs in Math and ELA.

Elizabeth Scarbrough, 8th grade ELA teacher, was honored as the 2008-2009 HMS Teacher of the Year. We currently have eight National Board Certified teachers, with Heather Jones and Angela Ballard being our newest recipients. We currently have four more teachers applying for National Board certification, further validating that excellence and dedication continues to be the standard at HMS.
